

ESPR membership - list of supported countries

Membership to the European Society for Paediatric Research (ESPR) is open to any professional who supports the aims of the society and has given at least one scientific contribution (e.g. presentation or poster) to one of the annual society meetings.

In order to encourage Paediatric professionals from new EU Member States, economies in transition and developing countriesⁱ to participate in the society, the ESPR has introduced the category 'Active member from a supported country'.

This comes at an advantageous rate, while offering all of the benefits of being an ESPR member:

Discount on congress
Includes ESPR grants
Includes subscription to Paediatric Research (online only)
EUR 50,00/annum
