

Congratulations!

Hanneke van Dokkum

Beatrix Children's Hospital,
University Medical Center Groningen,
University of Groningen, NL

*Live-performed music therapy during
procedural pain in infants admitted to
the Neonatal Intensive Care Unit:
effects on the pain and stress response*

Nicole Labusek

University Hospital Essen, GER

*Combination of hypothermia and improved
regenerative stem-cell-based therapies for
the treatment of neonatal hypoxic-ischemic
brain injury*

Bárbara Moreno-Sanz

La Paz University Hospital-Foundation
for Biomedical Research of La Paz
University Hospital (FIBHULP), ES

*RISEinFAMILY project: Integrating
families at Neonatal Intensive Care Units
for empowering them as primary
caregivers: the impact of the programme*

Michelle Romijn

Emma Children's Hospital, Amsterdam
University Medical Center, NL

*Pulmonary inflammation and
glucocorticoid sensitivity for the prediction
of bronchopulmonary dysplasia (PRIDICT-
BPD)*

ESPR Young Investigator Start-Up Grants
ESPR Research Grant Programme 2022

Congratulations!

Michael Wagner

Medical University of Vienna, AT

Changes in mechanical properties of premature sheep lungs in a newly developed lung simulator

Shiraz Badurdeen

The Royal London Hospital, Barts Health NHS Trust, UK

Oxygen During Intact-cord Resuscitation in Extremely Preterm Infants

Janneke Dekker

Leiden University Medical Centre, NL

The effect of tactile stimulation on breathing effort of preterm infants at birth – a stepped-wedge cluster randomized controlled trial in Europe

Rosa Geurtzen

Amalia Children's Hospital, Radboudumc Nijmegen, NL

Parental values regarding potential future decision-making for the use of the artificial placenta

ESPR Early Post-Doc Research Grants
ESPR Research Grant Programme 2022

Congratulations!

Michella Runge Kjølbeløv Bjerregaard

Copenhagen University Hospital Amager
Hvidovre, Aarhus University, DK

*Efficacy of a complex family centred care
intervention based on zero separation and couplet
care when both mother and infant are sick*

ESPR Nursing Grants

ESPR Research Grant Programme 2022
