

# Congratulations!

**Lisa Rössler**

Medical University of Vienna, Austria

*„Much has happened in research in recent years, of course also thanks to Prof. Wauer. And that is why Neonatology fascinates me every day.“*

Stay at the clinical institution  
funded by the Roland R. Wauer Award:

**Southmead Hospital Bristol  
Bristol, England**

**Sandra Kurzreiter**

Medical Faculty Carl Gustav Carus, Technische  
Universität Dresden, Germany

*„For me, Neonatology is a fascinating fusion of incredible fragility and hard, precise decisions. One day, I wish to be an inspiration for others such as Prof. Wauer was for many.“*

Stay at the clinical institution  
funded by the Roland R. Wauer Award:

**John Radcliffe Hospital  
Oxford, England**

**Bartolomeo Bo**

Università degli Studi di Pavia, Italy

*“With this Award I aim to follow in Roland Wauer’s footsteps, observing different challenges and learning different solution strategies in both clinic and research, learning knowledge that I can in the future put at the service of the patient.“*

Stay at the clinical institution  
funded by the Roland R. Wauer Award:

**Erasmus MC-Sophia Children’s Hospital  
Rotterdam, Netherlands**

European Society  
for Paediatric Research
